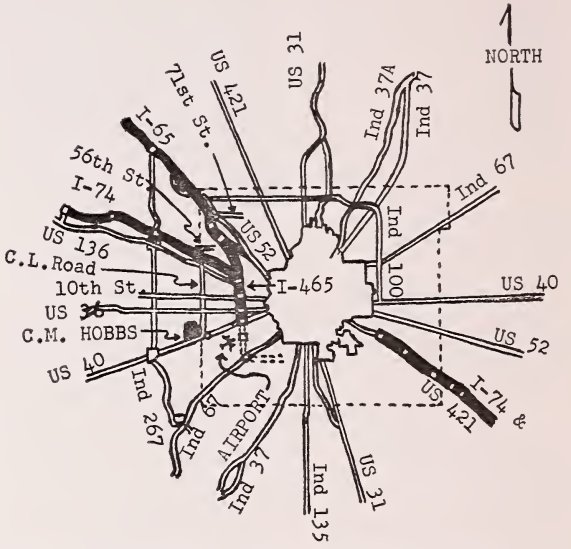
# INDIANAPOLIS AND MARION COUNTY AREA

## "Now you can get there from here!"



Access to our nursery has been considerably eased by the addition of new Interstate routes around the city. Considerable time may be saved coming from the North and East by following routes Ind. 100 and old U.S. 52 to 71st Street where entrance is made on I-65 and I-465 heading toward Indianapolis. Continue on I-465 to U.S. 40 and then West 3½ miles to the Nursery.

South of Indianapolis, I-465 is available from U. S. 31 to U. S. 40 on the west side and, further I-465 construction will eventually improve access East side of town. 56th Street and C.L. (County Line) road remains an alternate route to the nursery.

The Indianapolis Municipal Airport is located just 3 miles East of our office.
